More detailed information...

Retail locations are available for all **market segments** shown below. Each segment has a specific **delivery time**. Explore all locations in your own interactive RetailSonar **platform or export** all information in just a few seconds to XLS, XLSX or CSV. Your data is **regularly updated**. Each update is saved as a new time period, so you can easily compare between periods. Simultaneously you'll also receive an email for each update with an overview of all new changes.

Prices depend on the number of locations, service levels and user rights.
